Re: SCP Carlstadt Site

Dear Pam:

Enclosed for your information is a report, prepared by Dames & Moore for the responsible parties, which summarizes the results of test pitting operations conducted at the SCP site in July. I have enclosed three copies of the report for your use. In addition, EBASCO took photographs of all test pits during the excavation; these are available if you wish to see them.

If you have any questions regarding these documents, please feel free to call me.

Sincerely yours,

Janet Feldstein, Project Manager  
Northern New Jersey Compliance Section
